SPENT OVER \$2,000 ON WIFE'S HEALTH

Wife of Southern Ry. Engineer Gains 16 Lbs. and Lays
Crutches Aside After
Taking Tanlac.

"I have received more benefit from four bottles of Tanlac than from medical treatment that cost my husband over Two Thousand Dollars, which he has paid out in the past two years trying to restore my health," was the remarkable statement made by Mrs. Elizabeth Hooks, of Rome, Ga. Mrs. Hooks is the wife of P. C. Hooks, a well-known Southern Railway engineer of that city.

"For fully two years," continued Mrs. Hooks, "I suffered from stomach trouble, extreme nervousness and a bad form of rheumatism. For more than seven months, I was confined to my bed, and was almost a nervous and physical wreck. My digestion was so poor I had to diet myself and rarely ever ate anything but raw eggs, boiled milk and things like that, but even the very lightest of food would nauseate me and lay heavily on my stomach."

"My condition became so bad my husband took me to Hot Springs, Ark., where I remained for a month. I had to use my crutches all the time. The treatment at Hot Springs helped me for a while and I returned home. The little relief I got was not permanent though, and I soon relapsed into my old condition."

"I was then taken to a specialist in Atlanta. I had fallen off from one hundred and twenty pounds until I only weighed eighty-nine--just a shadow of my former self. The Atlanta specialist prescribed a course of treatment for me, but before using the medicine I decided to give Tanlac a trial. I did this because my husband had heard so many railroad men recommend it."

"That was the best resolution of my life. I am now on my fourth bottle of the medicine and feel better than I have at any time since I was taken sick. I can now eat anything I want and as much as I want, and everything seems to agree with me splendidly; besides that, everything I eat tastes good, and I enjoy my meals."

"I have set my crutches aside now, and actually feel so much better I told my husband a few days ago that I believed I would turn off the cook, but he insisted that I wait a while longer. I now weigh 105 pounds, which is a gain of 16 pounds, and I am still improving right along every day. Tanlac is certainly a wonderful medicine, and I think every woman who suffers like I did ought to know about it."

Tanlac is sold in Dickson exclusively by Matthews Drug Co.--adv.
